NEW! Self-Service Pavilion

DSE introduces a new area of the show floor for 2016 – the Self-Service Pavilion. With the rising adoption of self-service kiosks, tablets and other freestanding interactive displays, it's only natural for DSE to establish a pavilion devoted to this technology.

The Self-Service Pavilion offers a cost-effective, turnkey way for manufacturers of interactive or touch-screen kiosks to reach DSE attendees.

RATE

\$3000 for Non-DSF Members
\$2600 for DSE Members

INCLUDES

- ▶ 5' x 8' space with carpet
- ▶ One zig-zag literature rack
- ▶ One 500-Watt power drop
- ▶ Ability to bring any self-service product that will fit in the 5' x 8' space
- ▶ Recognition on signage within the pavilion
- ▶ Recognition in the show directory
