 DESCRIPTION

Department of Probation (DOP) intends to enter into a sole source contract with Automon, LLC, to purchase software subscriptions (CE Check-in Web, CE Check-In Kiosk, and CE Field) and associated configuration/consulting services which are supplied exclusively by Automon LLC. These products and services will be used as part of the Caseload Explorer System, which is already utilized by DOP as a case management system of record. DOP has determined that Automon, LLC. is the only source for software and configuration/consulting services as the sole owner of the Caseload Explorer System and all associated code. The term of the contract will be from June 1, 2016 through May 31, 2017.

Any vendor who reasonably believes that they can provide these software subscriptions and associated consulting/configuration services should submit an expression of interest via email prior to the Due Date stated in

this advertisement.
