Tri-County Regional Planning Commission requests statements of qualifications from qualified firms to provide professional planning services for the development of a Regional Digital Inclusion Strategic Plan for the Greater Peoria region of Illinois, consisting of Peoria, Tazewell, and Woodford Counties.

Statements of Qualifications will be accepted until 4:00 pm, January 11, 2019. Statements of qualifications received after that date and time will not be considered.

Background
Tri-County Regional Planning Commission (TCRPC) of Peoria, Illinois provides staffing for the Peoria-Pekin Urbanized Area Transportation Study (PPUATS), which is recognized as the Metropolitan Planning Organization (MPO) for the Peoria-Pekin urbanized area.

The MPO receives federal funding from the U.S. Department of Transportation. A portion of the FY 2019 allocation has been set aside for this project. The proposed compensation for the project is $20,000. Due to the federal funding source, all work related to the project must be completed by December 31, 2019.

Project
TCRPC and Peoria County wish to create a Digital Inclusion Strategic Plan for the Greater Peoria region—consisting of Peoria, Tazewell, and Woodford Counties. A Digital Inclusion Strategic Plan will help ensure all segments of the region’s population benefit from innovation, drive economic development, and reduce disparities. Such a plan should also help local agencies secure grants aimed improving redevelopment. Furthermore, the plan will:

- Identify existing physical and technological infrastructure;
- Identify current and proposed road infrastructure projects that may align with new and emerging technologies;
- Expand on current trends in community technology access and usage;
- Recommend strategies for widespread access to and adoption of new technologies, especially related to road infrastructure and the movement of people and goods; and
- Demonstrate how new technologies like 5G and Smart City applications could be used to facilitate inclusion with road infrastructure and initiate economic development.

Scope of Services
Scope of Services will be negotiated upon consultant selection.
