

Meet Fern.

*Hi, I'm Fern,
your A.I.
Airport Assistant.
How can I help
you today?*

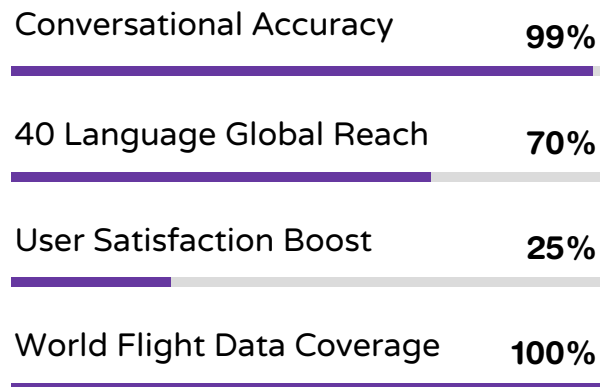

Your favorite, new digital employee!

A.I. Digital Signage Assistant for Airports

MISSION

To help travelers at airports around the world.

SUPERPOWERS

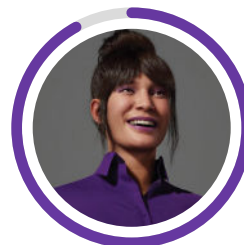

ABOUT ME

I'm a context aware, conversational assistant optimized to help busy travelers. I can be seen life sized on kiosk displays or on cell phones. I know flight information, how to get to your gate and even how to book a hotel for you.
