

Meet Q.

*Hi, I'm Q,
your A.I. Trade
Show Assistant.
How can I help
you today?*

Your favorite, new digital employee!

A.I. Digital Signage Assistant for Trade Shows

MISSION

To help trade show attendees locate booths, find out about speakers and even locate a good place to eat.

SUPERPOWERS

Conversational Accuracy	99%

User Trust Boost	20%
Conference Data Coverage	100%

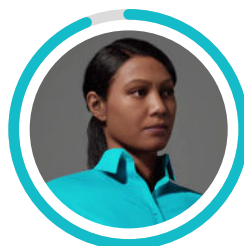

ABOUT ME

I'm a context aware, conversational assistant optimized to help trade show attendees. I can be seen life sized on kiosk displays or on cell phones. I know all about where companies have their booths and who's speaking about what.
