Hear our CEO, David Anderson, Speak on a Panel About Equitable Participation for Virtual and In-Person Participants

Join our CEO David Anderson on Wednesday, June 14th at 1:30-2:30 PM in Room W314AB as he speaks on the panel called "Equitable Participation for Virtual and In-Person Participants".

As hybrid collaboration is a pivotal part of the working dynamic, this panel will discuss how companies can evolve their meeting rooms to ensure equitable experiences for those in the room and working remotely. This panel will be moderated by Irwin Lazar, President and Principal Analyst at Metrigy, and feature speakers Sarah Bearse at Google, Rony Sebok director, intelligent video at Crestron Electronics along with Mimo's President and CEO, David Anderson.

that acts as a programmable video overlay by allowing you to send real-time alerts over AV (and works with Common Alert Protocol). Quickly connect to and take over every digital signage display on campus, in an office, hospital, or anywhere you can imagine to effectively communicate emergencies or time-sensitive information immediately.

- Get hands on with the revolutionary Mimo Myst Family, sure to elevate and empower your conference room while increasing flexibility and minimizing hassle. With three premium 10.1" displays, The Mimo Myst Link, the first AV-over-IP display with HDMI capture that connects over Ethernet, Mimo Myst for Android™, ideal for when the display should support an operating system, and Mimo Vue Capture, a feature-rich update to the award-winning Mimo Vue Capture, no matter your need, Mimo has you covered.
- Check out Unify Meeting, Mimo's revolutionary new software that combines your three favorite video conferencing platforms into one universal user interface. Learn how you can simplify your work life by eliminating the hassle of searching for buttons or commands that are consistently in different places on the screen because with Unify, they're in the same reliable place, every time.
- Chat with our team to learn more about Mimo Monitors, our commitment to customer service, and more about our innovative and premium solutions for healthcare, education, corporate, government, museums, outdoor, retail, hospitality and more.
