► WHY CHOOSE US?

ABOUT US

WHO WE ARE

AOMIHOO is one of the leading company specialized on commercial LCD products in Shenzhen, China, since 2006.

WHAT WE DO

We provide both software and hardware solution for digital signage, LCD video wall, interactive touch white board, window facing display, stretched display, and outdoor high brightness display products.

HOW DO WE DO

With decades of accumulated expertise in R&D, manufacturing, and sales operations, our dedicated engineering team delivers tailored solutions that address clients' unique challenges through technical excellence and industry-specific knowledge.
