Profitability is #1 AI is the answer

AI at work, **now**

+20%
forecasting
accuracy

-\$4M labor spend

**Saved 600 labor hours /
wk nationally**

-\$200K labor spend / qtr

**THAI LEISURE
GROUP**
FAMILY OWNED SINCE 2004

**+15% sales annually
-1% labor spend annually**

Above store insights to drive in store action

AI-driven insights delivered in real-time

 Fourth.

Hey Sam,

Your weekend **forecasts** are looking up
due to the **hot weather**.

Please **schedule two more staff** in front-
of-house for Saturday at 3pm

I recommend Mike and Barry from **VSL**

Got it! 

A profit engine at the heart of your business

What are the best use cases for AI?
